**ATTACHMENT A**

1. The property to be searched is described as follows:
  - a. Black Samsung smartphone, hereinafter referred to as "**Device A**" and
  - b. Black Samsung Galaxy S8 smartphone, hereinafter referred to as "**Device B**."
2. **Devices A and B**, collectively the "**Devices**," are currently located at 2620 West Wisconsin Avenue, Milwaukee, Wisconsin.

This warrant authorizes the forensic examination of the **Devices** for the purpose of identifying the electronically stored information described in Attachment B.

**ATTACHMENT B**

1. All records on the **Devices** described in Attachment A that relate to violations of Title 18, United States Code, Sections 922(g)(1), 924(a), 924(c); and Title 21, United States Code, Section 841(a)(1), and involve Fabian Johnson, including, but not limited to:
  - a. lists of customers and related identifying information;
  - b. types, amounts, and prices of drugs trafficked as well as dates, places, and amounts of specific transactions;
  - c. any information related to sources of firearms and drugs and co-conspirators (including names, addresses, phone numbers, or any other identifying information);
  - d. any information recording schedule or travel;
  - e. all bank records, checks, credit card bills, account information, and other financial records;
  - f. Photographs and/or videos depicting possession of drugs or firearms;
  - g. Any evidence related to either the ownership, purchase, or possession of drugs or firearms; and
  - h. Records of Internet activity, including browser history, search terms that the user entered into any Internet search engine, and records of user-typed web addresses

2. Evidence of user attribution showing who used or owned the **Devices** at the time the things described in this warrant were created, edited, or deleted, such as logs, phonebooks, saved usernames and passwords, documents, and browsing history.

As used above, the terms "records" and "information" include all of the foregoing items of evidence in whatever form and by whatever means they may have been created or stored, including any form of computer or electronic storage (such as flash memory or other media that can store data) and any photographic form.

This warrant authorizes a review of electronic storage media and electronically stored information seized or copied pursuant to this warrant in order to locate evidence, fruits, and instrumentalities described in this warrant. The review of this electronic data may be conducted by any government personnel assisting in the investigation, who may include, in addition to law enforcement officers and agents, attorneys for the government, attorney support staff, and technical experts. Pursuant to this warrant, the FBI may deliver a complete copy of the seized or copied electronic data to the custody and control of attorneys for the government and their support staff for their independent review.
